WORKFORCE: 180 experienced and dedicated employees, many of whom look back on years of career at our company.

OUT-SUPPLIERS: Our network of small out-growers consists of around 70 family businesses from whom we have been sourcing for many years, with a long term approach

SOCIAL IMPACT: around 800 families profit directly or indirectly from our foliage business

STRENGTH:

- Production in harmony and respect of nature and man guaranteed by demanding certification programs
- Strong infrastructure to endure challenging climatic conditions (reservoir, tube wells, dug wells, drip-irrigation, compost production, shade nets, cool room, cooler lorries)
- Our harvesting and packing processes make our products fit to pass even advanced border inspections as conducted in Japan and Australia
- Lots of creative input due to worldwide exports, own lab, research facility and photo studio
- Experienced in exports to: United Kingdom, Netherlands, France, Switzerland, Austria, Italy, Qatar, Saudi Arabia, United Arab Emirates, Kuwait, South Korea, Japan, Australia
- Wide and deep assortment available year round
- Bespoke assortments for retail and wholesale market strategies
- Wide grower network to boost volumes for peak days
- Quality minded, reliable, flexible, communicative and service oriented
- Swiss Management, marketing and sourcing as a daughter of Agrotropic Switzerland
