The Jungle Wall, it's that easy

Step by Step

- 1. Define the dimension of your Jungle Wall.
- 2. Create your construction with wooden pallets or optionally with metal frames according to your needs and requirements.
- 3. Order your Jungle Wall Box.
- 4. Mount the wet OASIS® FOAM FRAMES Design Plate 61x61x6cm

Jungle Wall Mix Box for 1m2, list of ingredients:

- with screws on your chosen surface 3 Design Plates = 1m2)
- 5. With the help of 2-3 iron angles, you can connect your Jungle Wall vertically to the base.
- 6. Design the Jungle Wall the Exotic Green, plug in a concealed growing point.

5

7. Evoke the jungle effect and consider getting a monkey to evaluate your design and help with the fine tuning.
